

**1. Get Inspections by Inspection Date** ddddddddddddddddddd

When used with Accela Automation 7.2 FP5 Hotfix 25 or above, the CERS adapter gets inspections by Inspection Date instead of Scheduled Date.

**2. Support “f Referral to County Counsel or City Attorney” in Enforcement Action (914) Field**

When the CERS adapter synchronizes a record from Accela Automation to CERS, if the value of the field Enforcement Action (914) is “f Referral to County Counsel or City Attorney” in the record, the adapter can successfully synchronize the record. In the CERS record, the value of the field is “f Referral to County Council or City Attorney”.
